### 1. "How George from Colorado mailed postcards from his camper trailer and made an income lasting over 50 years."

One summer day, I remember getting a postcard from George. His postcard was plain looking, but intensely interesting. I read it at least 20 times. There was something compelling about George's simple postcard. I responded and soon purchased several products from George. On the phone, George said, "I started out mailing postcards from my camper trailer. I had very little money when I started. I only had enough money to mail a few postcards each day. Soon the orders came in for what I was selling. I filled the orders and reinvested into more postcard mailings. Everything just snowballed from there and kept on getting bigger. I was living in a camper trailer, and yet making a great income." George kept on building and expanding his business that lasted over 50 years.

### 2. "Multiply your marketing efforts of others with postcards."

TO BECOME FINANCIALLY INDEPENDENT, YOU MUST OPERATE A BUSINESS THAT ALLOWS YOU TO:  
(1) USE A DUPLICATION SYSTEM THAT USES A DIRECT MARKETING TOOL TO DO ALL OF THE SELLING.  
(2) USE A MULTIPLICATION SYSTEM

THAT GETS OTHER PEOPLE TO HELP YOU BUILD YOUR BUSINESS.

What is the right business? Today people are turning to Network Marketing (also called Referral Marketing) as the answer to owning their own business. All businesses, small and large, have recognized that the most effective form of advertising nearly any type of product or service to the consumer is through "referrals" of satisfied customers (word of mouth advertising). Very simply - we get paid by the Network Marketing company for referring new customers to the company to purchase their products or services. You need to use postcards which can help you multiply your marketing efforts through others.

### 3. "Postcards provide the leverage you need to grow your business faster."

Network Marketing is the only opportunity where an average person can start a business of their own for very little money and virtually zero risk. Yet it provides the potential of creating unlimited income and wealth. Many traditional business owners and franchise owners are also turning to Network Marketing because it allows you to incorporate the efforts of other people without the headaches and responsibilities associated with traditional business.

# A Side Story...Here's what a Small Town Millionaire taught me about the Multiple Income Solution.

Many years ago I met a man named Fred - who owned a number of businesses in town. I was eating at his restaurant and he came over and started talking about business. Me, being the inquisitive type, jumped right in with all sorts of questions.

This wildly successful restaurant owner told me that he also owned a "piece" of the town gym, two pizza parlors, another fancy restaurant, a golf course, and a landscaping business. Fred also owned several rental properties. **In total, Fred had over eight (8) different income streams.** Fred was a very rich man.

The next thing Fred revealed to me was astoundly brilliant. I hope you can appreciate this as much as me. ***I asked him, What was his "model" for business?*** Not in locating businesses, or what types of products to sell. I wanted to know his philosophy. What Fred said fascinated me. Not only in its simplicity, but in how profound his answer was.

You'll be **BLOWN AWAY** by what this Rich Man told me next. **You can quickly start applying this same multiple income solution in your own life.** You'll learn how to do this WITHOUT buying or running any type of local business. I can show you how to collect money in multiple ways NATIONWIDE...doing some pleasant work only a few minutes a day from your home.

With Network Marketing - there's no payroll to meet, no inventory to keep, no employee taxes or benefits to bother with. Best of all, you can set your own hours and build your own business from home or anywhere else. In other words, you reap all the benefits of owning a large business without any of the hassles. (\*Marketing Tool: Look at System 12 in my Catalog) Referral Marketing with postcards allows you to incorporate the efforts of other people by sharing the business with them and sponsoring them into your organization.

#### **4. "How you can overcome time limitations with postcard marketing."**

We are all limited to the same 24 hours a day. By sponsoring other people into your organization, however, you can overcome this limitation. By sponsoring with postcard marketing, you can virtually clone yourself and have hundreds, even thousands of people all working indirectly on your behalf on their time - and you receive a percentage of everything they do. Those you sponsor will also mail postcards to sponsor others, and so on, and so on...and through the process of duplication your organization will grow and multiply.

By sponsoring and building an organization in Referral Marketing, you can create total financial freedom for yourself. With an organization of independent business people, you no longer have all your eggs in one basket. On the contrary, because each person in your organization has a vested interest in continuing and building their own business, you create an income that is non-dependent upon you - an income that can continue, even grow, indefinitely, with or WITHOUT you. This

allows you to create unlimited income and wealth...and tremendous freedom as well.

#### **5. "BUILD RESIDUAL INCOME THROUGH POSTCARDS AND REFERRAL MARKETING."**

Residual income refers to money earned again and again, week after week, year after year, that all began with a single one-time action. Successful people find a way to get paid over and over again on the work they do one time. Most people today never earn an above average income because they only get paid when they're working. When they quit working they quit getting paid. How would it be if you could grow a money tree? In other words, how would you like to develop a business that would create a continual stream of ongoing income that would continue to flow to you whether you went to work or not? Since Referral Marketing allows you to build an organization of hundreds or even thousands of other people from which you'll earn a percentage, your income will not be limited to you and your work. This simple, powerful business system is what millions of people all over the

world are searching for. It is unique. A business where people help others to succeed so they, in turn can be more successful themselves. The people you refer into this business will make money for you. The company will pay you commissions based on their volume of product purchases and...when they refer others into the business, you get paid commissions on their product purchases also...and the ones they refer into the business...and so on.

## **6. "HOW TO LEVERAGE YOUR INCOME WITH POSTCARD MARKETING."**

The key to permanent residual income is consumable products that consistently produce dramatic results! Imagine thousands of people all over America continuing to spend their money month after month, year after year, because they want to...because they are receiving good value for their money...and as a result of all these satisfied customers - you receive your profits month after month, year after year. Imagine all these people being so satisfied with the arrangement that they tell other people about it and your multitude of customers continues to double, and re-double, and keep doubling! Your associates are motivated to work (refer new associates) and mail postcards to earn their commissions. Your group of referred associates...and your checks...just keep growing. A lifetime of automatic earnings - RESIDUAL INCOME! You may decide to take a month off and vacation in the Caribbean, meanwhile your organization can continue to grow as others share the products and build their own business. Thereby creating a stream of ongoing permanent residual income, a true money tree. Once you truly understand and experience this principle it will be

difficult for you to work for temporary income or someone else again. No other business can provide you with the income and lifestyle that Referral Marketing can.
