### 1. "How Brooks from an Oregon farm mailed postcards selling products that earned millions."

Brooks live on a Oregon farm far from any big city. Brooks said, "I had the idea that postcards could be used to sell my products. I studied other postcard marketers for a few months. Then I put together a simple postcard campaign selling one of my low-cost products. At first, I mailed a few hundred postcards to try to gauge the marketplace. To my amazement, I got several orders from that first mailing. So I started mailing several thousand postcards. I made a few changes to the postcard sales message which drastically increased the response rate. I was convinced that postcards could work for me." Brooks used postcards for 36 years until he retired from the business. Over that time, Brooks had amassed a customer list of over 400,000 people...all from using postcards.

### 2. "Understanding the True Power of Postcard Marketing."

An effective postcard is salesmanship multiplied. The income producing power is multiplied many times over through effective duplication. The sales pitch is written down so people can read it. The postcard delivers the message - so you

don't have to. The postcard goes to work for you automatically as your salesman...selling to every person that you mail a postcard to - several people each day...so you can get your message before several people at the same time.

This powerful method of multiplying your efforts through other people and a written sales pitch has made many people rich. You will be leveraging your time and multiplying your salesmanship by mailing out postcards.

The postcard is an effective tool to interest other people and draw them into their own business. Mailing out postcards means you never run out of prospects and you can build your organization fast with as little work as possible.

You can even use the postcard to contact people you already know by mail anywhere in America.

This technique of mailing out postcards is so simple and so powerful because everyone who joins immediately realizes that all they have to do to build their business is do what you did. THIS IS SO DUPLICATABLE! (\*Marketing Tool: Look at System 1 in my Catalog) Your organization of people will grow very fast with everyone simply mailing out postcards! Once you start mailing out postcards your business will snowball from there!

# A Side Story...Here's what a Small Town Millionaire taught me about the Multiple Income Solution.

Many years ago I met a man named Fred - who owned a number of businesses in town. I was eating at his restaurant and he came over and started talking about business. Me, being the inquisitive type, jumped right in with all sorts of questions.

This wildly successful restaurant owner told me that he also owned a "piece" of the town gym, two pizza parlors, another fancy restaurant, a golf course, and a landscaping business. Fred also owned several rental properties. **In total, Fred had over eight (8) different income streams.** Fred was a very rich man.

The next thing Fred revealed to me was astoundly brilliant. I hope you can appreciate this as much as me. ***I asked him, What was his "model" for business?*** Not in locating businesses, or what types of products to sell. I wanted to know his philosophy. What Fred said fascinated me. Not only in its simplicity, but in how profound his answer was.

You'll be **BLOWN AWAY** by what this Rich Man told me next. **You can quickly start applying this same multiple income solution in your own life.** You'll learn how to do this WITHOUT buying or running any type of local business. I can show you how to collect money in multiple ways NATIONWIDE...doing some pleasant work only a few minutes a day from your home.

### **3. “Find all the business people you need with postcard marketing.”**

Postcard marketing is a simple, inexpensive, efficient and effective method that works extremely well to find and get all the people you need to be successful in this business! I have test marketed this Referral Card System combined with my Training Manual against various other marketing methods. Results? The Referral Card with the Manual is consistently recruiting more distributors than any other method by far. The Referral Card has proven time-and-time-again to work well for everyone who uses it! This high-impact Referral Card was engineered so that it would appeal to virtually anyone who receives it. You'll be able to sign-up anyone...from anywhere...from any economic status...from any professional background. From making only a single one-time referral to the right person, it could continue to reward you again and again for years to come. Using this exact system, many, many associates have been able to create weekly streams of residual income...plus have more free time to spend with their families.

### **4. “AN AMAZING POSTCARD STORY OF PERSISTENCE AND BOLDNESS. ”**

Lynn understood that his Referral Marketing business was a numbers game...“Some Will, Some Won't, Who's Next!”. He also understood that focusing his time on prospecting for new business associates was absolutely the most important thing in his life, next to his family. Lynn was sick and tired of working hard, getting little money and having no free time. He was determined

to take control of his life and design his own lifestyle. Lynn made a commitment to locally distribute at least 14 postcards every single day. Lynn was shy but he realized that he had to start getting bold. Lynn was charged with excitement. Lynn first mailed out the postcards to all of his friends, family and acquaintances.

Lynn stuck to his personal commitment and mailed out his 14 postcards each and every day. Some days he mailed out more than 14 cards. Lynn started enjoying mailing out postcards. People read the postcard and then called to get the free report to learn more about the opportunity. Very soon...more and more people started calling to get the report. Lynn didn't consider himself to be very good at selling, so he let the postcard and the report do the selling for him. And very quickly...Lynn's business started to grow. Here's what happened when Lynn mailed out postcards during his first week in the business. Lynn mailed out 87 postcards to people he knew and also prospects on a mailing list. Out of those 87 cards, 14 people called to get the free report. Then over the next couple of weeks - 4 people signed up in the business. That is 4 out of 14 people who received and read the report. Let's review. 87 cards, then 14 reports...then 4 signups. Does it work this well everytime? NO! But sometimes it works even better. It's a numbers game when sorting through people. Sometimes there are more good apples in the barrel than other times. You never know who you are mailing a card to or how they will respond...will they be the “right person”? Who cares - who's next! After only 5 months in this business, Lynn quit his job as a mailman. That is results!

Today...over 10 years later Lynn continues to receive weekly residual income checks from the Company and his business organization is still growing because he made a decision to be BOLD and NEVER GIVE UP!

### 5. “Let the postcard do all of the selling for you.”

Here’s an actual letter that Lynn sent me on April 7, 1995 (I kept it): “I QUIT! That’s what I was able to tell my boss a few weeks after joining the #1 network marketing opportunity in America. For years I made a decent living as a letter carrier...but I realized a long time ago that it was a dead-end job. So I looked for a way out. For years I failed. And then I found what I was looking for...thanks to two good friends of mine. My wife and I are now able to spend quality time with our kids and we’re having a great time...all thanks to a brilliant idea. I’m not a salesman, nor am I a hype-master. My friends (and the opportunity) have made me a success. And I really believe that our exclusive duplicatable wealth building postcard system will do the same for you. ...I have a wife and two small children. I’m very conservative and

I wasn’t about to quit my secure job as a letter carrier unless something great had happened. This is the best opportunity you’ll ever have to create a lifetime of residual income. Lynn ”

### 6. “Keep postcards flowing to new people every day to be successful.”

I personally signed up a guy named Steve who lives in Florida. Steve signed up Mike who lives in Pennsylvania. Mike was a Real Estate Leasing Agent and his business was in a slump. Mike knew he would have to find some way to supplement his income. After Mike carefully looked at the same opportunity I am offering you, Mike got involved immediately! Working only part-time, Mike’s new business grew rapidly! Because of the duplicating power of my marketing system, Mike’s organization has now grown to thousands of people. Mike has been doing this business for over 9 years and he is now earning a substantial weekly income that will surely continue to grow larger and larger! Here’s a letter from Mike in his own words: “ Even more than the income, this business has given me the opportunity to own my own life. I spend time with my family and can do all the nice things that I wouldn’t be able to do if I had a regular nine to five job. I hear my neighbors leaving at 6 o’clock in the morning, and they don’t come back until 10 at night. With this business...I can schedule my day however I want. I have a wonderful career, a wonderful family, and I’m at home enjoying it all. Mike ” I used my system to build a growing organization of thousands of people located throughout America that has paid me continuous residual income checks for over 25 years now! Duplication is absolute with my postcard system.
