1. "How Charles from Georgia helped hundreds of people make money with postcards."

Charles was seriously involved with promoting nutritional products for a company that paid him monthly multi-level override commissions. Charles said, "I learned that the best way to introduce new people to the products was by mailing postcards with a simple message. Once people responded, I could explain things in a deeper way over the phone". Once people joined with Charles' business, he set them up with a similar postcard so they could start mailing immediately. Charles said, "I trained people to mail postcards and talk on the phone to their prospects. My method was easy to learn and people loved doing it". After one year, Charles' business got the attention of the company president. It wasn't long before Charles was walking across the stage to accept an award at the annual company convention. Charles had quickly become the top leader in the company, and he did it with postcards.

2. "Mailing Postcards is a Luxury."

In the 1940's, the insurance industry determined that if they trained their insurance agents to go out and physically make contact with 30 new people a day, they could make one or two sales.

Consider that these insurance agents had to physically go out into the world to contact 30 new people...which took about 8 hours of hard work each day. That's what they did every single day. They got up early, prepared themselves...and went out to work. They played the numbers game every day. They were the Hound chasing a running Fox. WITHOUT a powerful recruiting system that will AUTOMATICALLY FIND AND GET PEOPLE TO JOIN your MLM business -- you and your downline will most likely fail.

3. "Postcard marketing persuades people so you don't have to work hard."

You MUST understand something very important when you get involved with someone's business postcard marketing system. I know what works...and what doesn't. Over 20 years of relentless work, I personally designed my powerful marketing system. I fully understand the complexities and the psychological aspects at play for triggering a predictable human response. In fact, there are several of my own triggering devices built into my marketing system that cannot be readily discerned. MY POSTCARD RECRUITING SYSTEM WORKS AUTOMATICALLY. (*Marketing Tool: Look at System 1 in my Catalog) Most other recruiting systems involve chasing people. Remember this: Using a

A Side Story...Here's what a Small Town Millionaire taught me about the Multiple Income Solution.

Many years ago I met a man named Fred - who owned a number of businesses in town. I was eating at his restaurant and he came over and started talking about business. Me, being the inquisitive type, jumped right in with all sorts of questions.

This wildly successful restaurant owner told me that he also owned a "piece" of the town gym, two pizza parlors, another fancy restaurant, a golf course, and a landscaping business. Fred also owned several rental properties. **In total, Fred had over eight (8) different income streams.** Fred was a very rich man.

The next thing Fred revealed to me was astoundly brilliant. I hope you can appreciate this as much as me. ***I asked him, What was his "model" for business?*** Not in locating businesses, or what types of products to sell. I wanted to know his philosophy. What Fred said fascinated me. Not only in its simplicity, but in how profound his answer was.

You'll be **BLOWN AWAY** by what this Rich Man told me next. **You can quickly start applying this same multiple income solution in your own life.** You'll learn how to do this WITHOUT buying or running any type of local business. I can show you how to collect money in multiple ways NATIONWIDE...doing some pleasant work only a few minutes a day from your home.

system that depends only on contacting people on your warm market list is certain failure. Even if you do enroll a few people, they will quickly drop out because they have no effective way to build it. You and everyone else will run out of new prospects within 15 minutes. Their contacts were few...and their businesses ended quickly. Now what do you do? You need to use postcards.

4. "Use postcards instead of chasing prospects."

Some recruiting systems will help you find people, BUT then you have to go CHASE THEM DOWN and HARD-SELL THEM to convince them to join your opportunity. DO YOU WANT TO BE THE HOUND CHASING A RUNNING FOX? That's exactly what most other systems will have you do. DO YOU ENJOY CHASING PEOPLE WHO RUN FROM YOU? My system attracts people AUTOMATICALLY and GETS PEOPLE TO JOIN WITHOUT CHASING THEM. MY RECRUITING SYSTEM AUTOMATICALLY DOES ALL THE WORK FOR YOU, ME AND EVERYONE IN YOUR DOWNLINE.

5. "Postcard marketing will fit almost everyone's time and budget limitations."

Consider how little time it takes to physically prepare and mail 30 postcards a day. MAILING POSTCARDS IS A LUXURY! You get to build your business from the comfort of your home, without the hassles of physically contacting new people. Yet some people -- even having this clear understanding -- will complain and get weak concerning their postcard mailings. These weak people will quit in two to four months.

HERE'S WHAT IS NOW HAPPENING. People from all over the country call me daily with their frustrating recruiting stories. After they look closely at my recruiting system, they QUICKLY LET GO OF THEIR HARD-TO-WORK OPPORTUNITY and join me in my fast growing MLM business. It took me over 20 years to discover and assemble very effective marketing devices to function and work as ONE powerful system. With this business -- you simply mail out a few Postcards each day. Your referral people will go to my website and get my Free Report and read everything. Your referral people will sign up just as you have. Then, those people start building their business, and yours too. It's just that simple!

6. "The Apple Fell Off the Tree...or was it a postcard?"

A HIDDEN BENEFIT IS THAT THOSE PEOPLE WHO DO NOT JOIN WILL ACTUALLY DO SOMETHING UNEXPECTEDLY THAT WILL HELP YOU BUILD YOUR BUSINESS. Those people will show others your Postcard because they liked the contents of the website.

YOUR BUSINESS WILL GROW BECAUSE OF THE PEOPLE WHO DO NOT JOIN US. It really happens this way! The stories surrounding the Postcards...and the unforeseen results that they produce are unbelievable! It's much like an apple tree hanging over a road. A truck drives by and an apple falls into the back of the truck. The truck drives 300 miles, turns a corner and the apple falls out on the side of the road. Then from a seed in that apple, another apple tree grows on the side of the road. The truck transported and transplanted the apple seed. You never know where the seeds you plant are going to grow. You never know how your seeds end up being transported and transplanted by someone unexpectedly. The Postcards are seeds that you plant. They grow and produce unexpected results with your business.
