1. “How Lee from Nevada generated endless business leads with postcards.”

I remember getting Lee’s postcard in the mail. Lee was a very clever postcard marketer. The way he wrote and arranged his postcard layout always intrigued me. Lee said, “One of my postcards was getting a consistent 27% response rate, meaning at least 27 people responded out of every 100 postcards mailed.” This was truly abnormal. But Lee’s copywriting skills was the reason behind this huge response rate. I knew that if I could learn from Lee, I could do it too. Lee used postcards to sell many different types of products. I was amazed to see what he was going to try to sell me next. And I usually bought it. Lee’s sales message on the postcard was very convincing, and I had to find out what he had to offer. Lee capitalized on postcard marketing like no one I’d ever seen.

2. “The Sower Plants the Postcard Seeds.”

Your power over this direct marketing approach comes from an understanding that “This is a numbers game”. If you always keep your hook in the water - you will catch fish! You have to - persistence conquers all things! By mindlessly mailing out a pre-determined number of postcards (30) each day, you will not fail to get sign-ups! Those people who

over-analyze...who insist on having total control over all of the variables of direct marketing - will always fail! (*Marketing Tool: Look at System 10 in my Catalog) The solution is: Always mail out your pre-determined number of postcards each day and do not engage your brain to try to evaluate how well it is working! The truth is...it is working and has already worked for countless numbers of people who have successfully built a huge organization!

3. “Is it difficult to mail postcards continuously?”

Mindlessly mailing out a pre-determined number of Referral Postcards each day is very difficult for over-analytical people to do - but you must continuously plant seeds to successfully build a huge organization that will pay you lifetime residual income! Is it worth it? Yes!!! Think of yourself as Johnny Appleseed roaming about the land dropping seeds wherever you go (or wherever your postcards go!).

Hear again the ancient parable of the sower: “Behold, a sower went forth to sow, and when he sowed, some seeds fell by the wayside, and the fowls came and devoured them up. Some fell upon stony places, where they had not much earth; and forthwith they sprung up, because they had no deepness of earth; and when the sun was up, they were

A Side Story...Here's what a Small Town Millionaire taught me about the Multiple Income Solution.

Many years ago I met a man named Fred - who owned a number of businesses in town. I was eating at his restaurant and he came over and started talking about business. Me, being the inquisitive type, jumped right in with all sorts of questions.

This wildly successful restaurant owner told me that he also owned a "piece" of the town gym, two pizza parlors, another fancy restaurant, a golf course, and a landscaping business. Fred also owned several rental properties. **In total, Fred had over eight (8) different income streams.** Fred was a very rich man.

The next thing Fred revealed to me was astoundly brilliant. I hope you can appreciate this as much as me. ***I asked him, What was his "model" for business?*** Not in locating businesses, or what types of products to sell. I wanted to know his philosophy. What Fred said fascinated me. Not only in its simplicity, but in how profound his answer was.

You'll be **BLOWN AWAY** by what this Rich Man told me next. **You can quickly start applying this same multiple income solution in your own life.** You'll learn how to do this WITHOUT buying or running any type of local business. I can show you how to collect money in multiple ways NATIONWIDE...doing some pleasant work only a few minutes a day from your home.

scorched; and because they had no root, they withered away. And some fell among thorns; and the thorns sprung up, and choked them; but others fell into good ground and brought forth fruit, some a hundredfold, some sixtyfold, and some thirtyfold."

Translation for Business Distributors: Behold, a Distributor went forth to sponsor. Some would not listen because of closed minds and false beliefs. Some would not believe because they allowed their doubts to devour their dreams. Some were quick to get involved because they wanted to get rich quick. But when they realized that they couldn't get something for nothing, they were quick to find fault and soon gave up and fell away. Some accepted the message with good intentions but were discouraged by friends or family or competitors with inferior opportunities. Some were choked with the "busyness" of life instead of focusing and following through on the single greatest "business" opportunity of their lifetime. Finally, some heard the message and chose to believe it. And despite disapproval and disappointment they refused to doubt or to become diverted. And their belief grew into confidence and their confidence grew into conviction and their conviction was rewarded with cash flow - lifetime streams of cash flow. And people were attracted to them like moths to the light. And they brought forth much fruit. And their dollars and their organizations multiplied 30, 60, and even 100 fold. And may this last be said of you, some day soon!

4. "Can you be Successful in MLM by mailing postcards?"

You must continually develop and strengthen these special qualities: Desire,

Ambition, A Positive Attitude, Enthusiasm, Willingness to Follow A Proven System, and Perseverance. PERSEVERANCE: Of all these qualities, the most important is Perseverance. Because, even if you have all the other special qualities and don't stay in this business -- YOU WON'T SUCCEED!

5. "Postcard marketing success demands perseverance."

We all know about Thomas Edison and his 10,000 unsuccessful attempts at making a light bulb that worked. When Edison was asked how it felt to have 10,000 failures, he replied: "I didn't fail. I discovered 10,000 ways a light bulb won't work. Success demands perseverance. DESIRE: Without Desire, you will not persevere. It is by holding onto the image of what you truly desire firmly in your mind, that gives you the power to accomplish impossible feats. When there is no burning desire, you must create it by reprogramming your subconscious mind. AMBITION: You are motivated by your desire, but it is Ambition that propels you to do what has to be done -- to move forward, work extra hours -- to focus your attention and

take the necessary steps each and every day. When things seem to go wrong, an ambitious person picks themselves up -- and starts all over again. An ambitious person accepts all obstacles and meets the challenge head on.

6. “What are 3 important traits of successful postcard mailers?”

POSITIVE ATTITUDE: A Positive Attitude has always been a prerequisite for success. If you don't expect something to work, then you will ultimately sabotage yourself with failure. If you don't have a positive attitude, then you must create and build a positive attitude. Your positive attitude is an internal belief system that determines your sustained action toward a goal.

ENTHUSIASM: Your excitement and belief in what you are doing is a tremendous force in motivating others. Enthusiasm is contagious. An enthusiastic person works with great power.

WILLINGNESS TO FOLLOW INSTRUCTIONS: You can only take correct action when you know what to do. You must follow someone who has a track record of success, and no one else. If you know what to do, but don't do it - you are not programmed. In that case, there will always be reasons to avoid doing what needs to be done. You might find yourself giving excuses as to why this or that won't work. You must force yourself to take proper action - before it feels comfortable to do so.

It is up to you to supply all of these self-motivated qualities to meet the challenge. If you do -- you will surely make it in this business.
